# The urgent or the important? Victoria's infrastructure future

## DISCUSS VICTORIA'S LONG-TERM INFRASTRUCTURE NEEDS WITH OUR SPECIAL EXPERT PANEL.

THANK YOU TO THOSE WHO HAVE ALREADY CONFIRMED THEIR ATTENDANCE AT THE VECCI INFRASTRUCTURE FORUM. FOR THOSE WHO HAVE NOT YET REGISTERED, BUT WOULD LIKE TO PARTICIPATE, PLEASE RSVP BY FRIDAY 7 AUGUST. PLEASE NOTE THE NEW PANEL SPEAKER FROM THE RACV.

The VECCI Victoria Summit is a business, community and Government partnership that seeks to respond to the key issues that face not only our business community, but the broader Victorian and national economies.

This year's Summit will be held on 17 November at Parliament House, Melbourne.

Given the population pressures and economic challenges Victoria faces out to 2025 and beyond, infrastructure is a key component of the Summit.

Ahead of the Summit, we are holding an Infrastructure Forum that will help us identify the major long-term infrastructure projects that will reinforce Victoria's economic competitiveness and liveability.

I am pleased to invite you, or your nominated representative, to participate in the Infrastructure Forum 'The urgent or the important? Victoria's infrastructure future'.
