

VICTORIA – WORLD CLASS ACCOMMODATION

HMAA is a specialist alliance, working solely for employers in the accommodation industry and is the voice of the industry in Victoria.

Victoria is recognised for its depth and breadth of travel and tourism experiences. This is underpinned by the strength of the \$353 million Victorian accommodation industry.

THE ACCOMMODATION SECTOR IS A KEY CONTRIBUTOR TO THE VICTORIAN ECONOMY

The holiday sector is Victoria's largest source of tourism with international and interstate visitors accounting for one third of visitor numbers and two thirds of expenditure. By 2016 it is expected that Victoria will have:

- An average visitor spend (per night) above the national average
- New and redeveloped tourism and events infrastructure
- New investments in attractions (natural, cultural and built)
- Fully integrated telecommunications and information infrastructure to support demand
- High quality, high yield, unique luxury regional accommodation
- A record of collaboration on local infrastructure projects

ACCOMMODATION INDUSTRY - A UNITED VOICE

The Hotel Motel & Accommodation Association (HMAA) was established over 150 years ago to serve and protect the rights of accommodation operators. The HMAA as the industry's peak body, represents operators from all sectors of the accommodation industry, ranging from hotels, motels, serviced apartments and caravan parks to B&Bs. Both metropolitan and regional operators are represented by HMAA.

HMAA STRATEGIC ALLIANCES

HMAA member services are supported by the Victorian Employers' Chamber of Commerce and Industry (VECCI), Australia's largest and most influential representative multi-industry Chamber of Commerce. HMAA and VECCI work together to deliver up-to-date workplace relations support and information to members.

"As a small business person, we rely on the recourses of HMAA and VECCI for research and policy issues, as well as to keep in touch with the wider business community. We also tend to use HMAA to lobby Governments, local, State and Federal."

Ricardo Krauskopf
Director – Alto Hotel on Bourke

"HMAA has given us the support and information to challenge my Landlord over issues concerning retail tenancy and hard wired smoke alarms. Our business is significantly financially better off because of dealings of HMAA and the government on these issues."

Tony Sheer
Director – Australian Pacific Inns

"We are members because we believe HMAA can assist with government lobbying, a united industry will achieve more than a fragmented one. HMAA is a good first stop for initial concerns and for general industry knowledge, HMAA is quite proactive in advising members of issues that affect them."
